

March 4th – June 3rd

OPEN CALLS

Regional Living Labs (RLLs)
European BAUHAUS Courses (EBCs)
Student-led Interdisciplinary Courses (SLCs)

Three Open Calls for Students and Teachers: Contribute to European Education!

We invite the **academic community** of all BAUHAUS4EU partner universities to participate in the three open calls for the creation of **European BAUHAUS Courses, Student-Led Courses, and Regional Living Labs**.

Teaching staff and students can propose courses inspired by the principles of the New European Bauhaus (NEB) Initiative, focusing on interdisciplinary formats, campus transformation, or space revitalisation.

The submission **deadline** for all three calls is **3 June 2026**. Check out all the information [here!](#)

The 2nd episode of BAUHAUS4EU Podcast is live!

Recorded at the Polytechnic University of Castelo Branco, our host Ana Lourenço chats with Daniel Raposo, WP4 leader, and Ana Ribeiro, Task 4.1 leader, about how regional partners and green and inclusive campuses are **key to the sustainability** of the alliance. Find out how WP4 and the different tasks are working on strategies to make the idea of a European university **more tangible** and **better connected** to regional contexts. Listen to it [here!](#)

BAUHAUS4EU Course Catalogue update!

The BAUHAUS4EU course catalogue has been **updated** for the upcoming term. The catalogue features a comprehensive selection of **new courses and opportunities** designed for students, academic staff, administrative personnel and regional partners. We invite you to consult the updated catalogue and identify the opportunities that best align with your objectives. Find out more [here!](#)

Staff Week “Advancing Seamless Mobility and Digital Integration” at the University of Macedonia

The University of Macedonia hosted the BAUHAUS4EU T.2.2 Working Week in Thessaloniki, Greece. The Working Week brought together representatives of the Alliance to advance **key priorities** related to seamless and embedded **mobility**, the development of mobility windows, and the implementation of the European Student Card and associated digital tools. Learn more about it [here!](#)

Discussing the Conceptual Framework for BAUHAUS4EU Education & Training Formats

The University of Bergamo hosted the BAUHAUS4EU WP3 Working Week, uniting academic and administrative staff from partner universities for an intensive four-day programme dedicated to **shaping the future of joint education** within the alliance. Participants worked collaboratively on advancing the conceptual framework for BAUHAUS4EU Education & Training Formats. Read more [here!](#)

“Building Green and Inclusive Campuses” at the Université de Picardie Jules Verne

Members of the BAUHAUS4EU Alliance took part in the Staff Week “Building Green and Inclusive Campuses”, hosted by UPJV. The event joined members from partner universities around a shared objective: to **strengthen institutional dynamics** in support of more sustainable, inclusive, and internationally oriented campuses. Find out more [here!](#)

1st Regional Workshop hosted by the University of Macedonia

The 1st BAUHAUS4EU Regional Workshop was successfully held within the framework of Task 4.2 **“Involving and connecting regional ecosystems in a joint innovation hub”**, in cooperation with the One Stop Liaison Office (OSLO) of the Region of Central Macedonia and the SPIERA+ Technology Transfer Offices Network. Learn more [here!](#)

What is BAUHAUS4EU?

BAUHAUS4EU - A European University for Resilient, Sustainable, Inclusive and Beautiful Regions

BAUHAUS4EU unites 10 universities and 67 partners across Europe to create a shared European campus of 124,000 students and 10,000 staff. Rooted in the UN Sustainable Development Goals, the European Green Deal, and the New European Bauhaus, the Alliance fosters transnational learning, innovation, and cooperation with regional ecosystems. Together, we aim to shape resilient, sustainable, and beautiful regions, and empower future generations to drive positive change across Europe. Want to learn more about us? Check out our new [website!](#)

Upcoming events

11-03 : Regional Partners Workshop at POLIS University

This event brings together **academia and institutional partners** to identify territorial and urban challenges and translate them into **academic actions** and European **cooperation initiatives**.

11-03 : Regional Council launch at Polytechnic University of Castelo Branco

The event aims to officially **launch the BAUHAUS4EU Regional Council – IPCB** and hold **workshops** with regional partners to define topics for future courses and initiatives with local impact.

26-03 : Regional Workshop meeting at Université Lumière Lyon 2

This second Regional Workshop meeting aims to **present the two calls** for proposals (**European Bauhaus Courses** and **Regional Living Labs**) to academic staff, facilitate a matchmaking session connecting them with local territorial partners, and share reflections and information on upcoming **BAUHAUS4EU training opportunities** for territorial stakeholders.
