

March 4th – June 3rd

OPEN CALLS

Regional Living Labs (RLs)
European BAUHAUS Courses (EBCs)
Student-led Interdisciplinary Courses (SLCs)

REMINDER: Three Open Calls for Students and Teachers!

We invite the **academic community** of all BAUHAUS4EU partner universities to participate in the three open calls for the creation of **European BAUHAUS Courses, Student-Led Courses, and Regional Living Labs.**

Teaching staff and students can propose courses inspired by the principles of the New European Bauhaus (NEB) Initiative, focusing on interdisciplinary formats, campus transformation, or space revitalisation.

The submission **deadline** for all three calls is **3 June 2026.** Check out all the information [here!](#)

1st B4EU
PhD Hackathon

06–09.07.2026
University of Economics in Katowice | Poland

THE FESTIVAL of the
NEW EUROPEAN BAUHAUS
Life. Spaces. Buildings.

PhD Candidate: Take on the Challenge!

The University of Economics in Katowice will hold the **BAUHAUS4EU PhD Hackathon Workshop**, a unique event that combines science, innovation, and collaboration.

It is an opportunity to **explore current trends** in interdisciplinary research, learn how to create solutions with practical (industrial and regional) applications, and strengthen the ability to work in international teams. The application deadline is **17 April 2026.** Find out more [here!](#)

BAUHAUS NOVA 2026: Beauty Unseen at NEB Fair

Bauhaus Nova is the flagship cultural event of the BAUHAUS4EU Student Council, **uniting students from eleven European universities** in a shared act of creation and discovery. This year's edition explores what lies **beneath the surface** – the unseen. Students can apply with their work until **24 May 2026.**

The event will take place simultaneously across some of our partner universities and online – as an **official satellite event** of the New European Bauhaus Festival, Brussels, 9–13 June 2026. Find out more [here!](#)

The 3rd Episode of BAUHAUS4EU Podcast is Live: Showcasing Collaboration across the Alliance

Recorded at the Université de Picardie Jules Verne, this episode focuses on **B4Administrative** and the **key role of administrative staff** in strengthening collaboration across the Alliance.

Hosted by Diana Abrantes, with guests Benjamin Gilles and Sandrine De Solan, the discussion explores BIPs, the Administrative Council, and the **value of cross-institutional cooperation.** Listen to it [here!](#)

BAUHAUS4EU in Action: Insights from Prof. Peter Benz's Visit to Amiens

The Université de Picardie Jules Verne hosted a staff week focused on **building green and inclusive campuses.** The event brought together staff from partner universities.

A **highlight** of the week was the visit of **Prof. Peter Benz**, President of Bauhaus-Universität Weimar and lead institution of the BAUHAUS4EU Alliance. Read more [here!](#)

Polytechnic University of Castelo Branco establishes BAUHAUS4EU Regional Council

The Polytechnic University of Castelo Branco has officially launched its BAUHAUS4EU Regional Council, bringing together **key regional stakeholders** to strengthen collaboration between academia and local communities. Through strategic discussions and workshops, this initiative aims to address **regional challenges, foster innovation, and drive sustainable development.** Know more [here!](#)

BAUHAUS4EU Regional Workshop at POLIS University

POLIS University hosted a regional workshop bringing together key stakeholders to **address major urban and socio-economic challenges.** From sustainable mobility to the skills gap, the discussions led to **concrete solutions** such as Living Labs and industry-integrated curricula, reinforcing the role of BAUHAUS4EU in **driving regional innovation and transformation.** Find out more [here!](#)

What is BAUHAUS4EU?

BAUHAUS4EU - A European University for Resilient, Sustainable, Inclusive and Beautiful Regions

BAUHAUS4EU unites 10 universities and 67 partners across Europe to create a shared European campus of 124,000 students and 10,000 staff. Rooted in the UN Sustainable Development Goals, the European Green Deal, and the New European Bauhaus, the Alliance fosters transnational learning, innovation, and cooperation with regional ecosystems. Together, we aim to shape resilient, sustainable, and beautiful regions, and empower future generations to drive positive change across Europe. Want to learn more about us? Check out our [website!](#)
