

### The First BAUHAUS4EU Interregional Workshop at POLIS University

POLIS University became the meeting point of universities, institutions, municipalities, researchers, businesses, and innovation actors from across Europe during the **First Interregional Workshop** of the BAUHAUS4EU European University Alliance, held in Tirana on 5 May.

Conceived as a **dynamic platform** for dialogue, collaboration, and co-creation, the event marked one of the first major interregional gatherings of the Alliance, bringing together international and local stakeholders to discuss **how higher education can respond to the complex challenges** shaping Europe's future. **Find out more [here!](#)**

### BAUHAUS4EU Podcast: Discover Innovative Pedagogies in Episode 5

Recorded at POLIS University, this episode explores **how innovative pedagogies are reshaping higher education** through the BAUHAUS4EU framework, focusing on five key teaching paradigms: from the strategic rethinking of traditional methods to active, digital, experiential, and hybrid approaches.

Our host Dr. Sonia Jojic chats with Dr. Ledian Bregasi on how **these methodologies move beyond** passive learning to foster creativity, collaboration, and engagement. **Listen, follow, and join the conversation!**

### Building Belonging: BAUHAUS4EU at the European Parliament

Two BAUHAUS4EU representatives took part in the **FOREU4ALL Community of Practice 3<sup>rd</sup>** transversal workshop, held on 2-3 June 2026 in France, hosted at the prestigious Strasbourg European Parliament.

Around 130 colleagues from 58 **European University Alliances** gathered to explore the topic **"From Campuses to Communities: enhancing engagement and sense of belonging in European Universities"** and to **generate concrete ideas**, based on shared challenges. **Know more [here!](#)**

### UEKat brings the BAUHAUS4EU Community together for the 2<sup>nd</sup> Forum

From 22 to 26 June, the University of Economics in Katowice will host the 2nd BAUHAUS4EU Forum, the **largest annual event** of the Alliance. The Forum serves as a key platform for **bringing together all partners** and showcasing the hosting institution, as well as the city and region—its cultural identity, strengths, and challenges.

This year's edition in Katowice will gather over 200 participants from 10 partner universities across 9 European countries. It also promises to be **a dynamic and inspiring gathering**, reinforcing the Alliance's mission to connect education, research, and regional development across Europe. **Find out more [here!](#)**

### UoM showcases BAUHAUS4EU Initiatives at the Aristotle Innovation Forum 2026

As part of its participation in the Aristotle Innovation Forum 2026, the University of Macedonia successfully organized the **BAUHAUS4EU Regional Workshop** entitled **"Regional Innovation Ecosystems: Universities and Society in Collaboration"** on 22 May at the Thessaloniki International Exhibition Centre.

The workshop was held within the framework of the BAUHAUS4EU European University Alliance and focused on the **role of universities** in promoting innovation, sustainability and regional development through collaboration with local communities, public authorities, businesses and civil society organizations. **Know more [here!](#)**

### 2<sup>nd</sup> edition of the BIP "Inclusive and Accessible Environments for Disability"

From 4 to 8 May, **University of Bergamo** hosted students, lecturers and researchers from three universities of the BAUHAUS4EU Alliance – **Université de Picardie Jules Verne, Politécnico de Castelo Branco and Bauhaus-Universität Weimar** – for the second edition of the Blended Intensive Programme "Inclusive and Accessible Environments for Disability".

The programme explored **accessibility, inclusion and disability** through an interdisciplinary approach combining research, teaching and collaboration with the local community. **Learn more [here!](#)**

### A look back at the 5<sup>th</sup> European Student Assembly (ESA) 2026

The 5<sup>th</sup> European Student Assembly took place at the European Parliament in Strasbourg from 20 to 22 April. This event, which has been held annually since 2021, offers nearly **250 students** the opportunity to explore issues of vital importance to the **future of the European Union (EU)**, while also sparking lively debates and fostering intercultural exchange.

Over the course of these three days, the **European Parliament** brought together more than 250 students, selected from nearly 2,889 applications, representing 34 countries and 54 nationalities. **Know more [here!](#)**

## What is BAUHAUS4EU?

### BAUHAUS4EU - A European University for Resilient, Sustainable, Inclusive and Beautiful Regions

BAUHAUS4EU unites 10 universities and 67 partners across Europe to create a shared European campus of 124,000 students and 10,000 staff. Rooted in the UN Sustainable Development Goals, the European Green Deal, and the New European Bauhaus, the Alliance fosters transnational learning, innovation, and cooperation with regional ecosystems. Together, we aim to shape resilient, sustainable, and beautiful regions, and empower future generations to drive positive change across Europe. Want to learn more about us? **Check out our [website!](#)**
