

UEKat Welcomes the BAUHAUS4EU Alliance at the 2nd Forum

The 2nd BAUHAUS4EU Forum, hosted by the University of Economics in Katowice, brought together representatives of all partner universities, regional partners and students, to **strengthen collaboration** across the Alliance.

This edition of the Forum enhanced relationships within the Alliance, created space for strategic reflection and inspired further joint activities. It also demonstrated the **potential of BAUHAUS4EU as a European university community** committed to shaping the future of higher education and supporting positive transformation in European regions. **Find out more [here!](#)**

BAUHAUS4EU Podcast: Progress in the Alliance and What Comes Next

Recorded at Bauhaus-Universität Weimar, our Secretary General Dr. Tonia Schmitz takes a **look back at the milestone**, reflecting on the progress made (spoiler: it is a lot!), the challenges that still lie ahead, and why we put in the **effort to meet in a big, physical format once a year**.

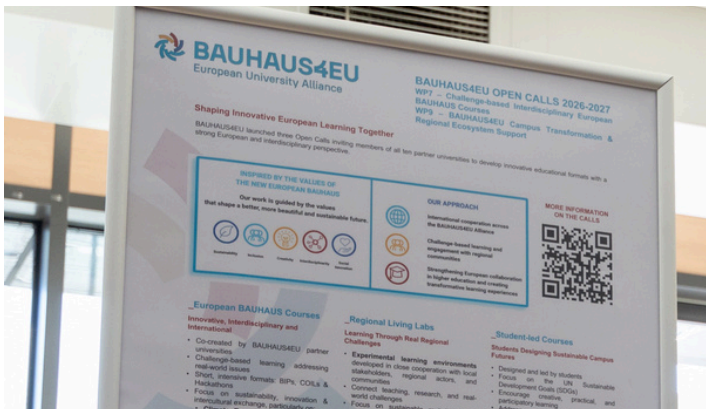

But we are not dwelling on the past: we also turn our attention to **what comes next** for the Alliance, and where we will all feel and see its impact in our local institutions. **Listen, follow, and join the [conversation!](#)**

New Courses in Our Catalogue: Including European BAUHAUS Courses!

Check out our **new round of courses**, including a new type: **European BAUHAUS Courses (EBCs)** are joint, interdisciplinary, challenged-based courses developed by academic staff from at least two BAUHAUS4EU partner universities.

The catalogue also features a variety of other options, including courses for university staff. It gives **students, academic and administrative staff** more opportunities to learn across disciplines and universities. **Find your next learning experience [here!](#)**

Regional Living Labs and Student-Led Courses Already Selected!

After dozens of proposals were evaluated, a total of **13 Regional Living Labs (RLLs)** and **14 Student-Led Courses (SLCs)** were selected to be offered in the next academic year. While RLLs are open innovation ecosystems to design solutions to place-based challenges, SLCs are innovative educational formats in which students develop the curriculum.

These courses are **open to all students enrolled at the host university**, including both local and Erasmus students. **Explore the [RLLs](#) and [SLCs](#), find out more, and enrol!**

BAUHAUS4EU at the New European Bauhaus Festival 2026: Co-creating Sustainable Futures

BAUHAUS4EU took part in the New European Bauhaus (NEB) Festival in Brussels, joining participants from across Europe to **celebrate innovation, creativity, sustainability and collaboration**.

A key highlight of BAUHAUS4EU's participation was the **organisation of the Regional Living Labs (RLLs) Workshop**. This interactive session brought together students, citizens, regional stakeholders, and academics to explore how **collaborative innovation** can contribute to more sustainable and resilient territories. **Find out more [here!](#)**

Key BAUHAUS4EU Deliverables and Milestones Achieved in June

June marks an important month, especially because the Alliance has reached several Deliverables and Milestones. These Deliverables and Milestones **advance BAUHAUS4EU in key areas**, including joint education, green campus development, regional cooperation, innovation, mobility, and quality assurance. **We successfully completed:**

Deliverable 3.1 – Report on BAUHAUS4EU Educational Offerings

D3.1 provides the strategic framework for the Alliance's educational offer, establishing a common approach to joint curricula and identifying priorities for future development.

Deliverable 4.1 – Transformation Pathway towards a Green and Inclusive BAUHAUS4EU Campus

D4.1 sets out the strategic framework for creating **greener, more inclusive and resilient campuses** across the Alliance. It defines common evaluation criteria, performance indicators and strategic objectives to guide institutional sustainability efforts.

Deliverable 4.2 – Guidelines to Set Up Regional Hubs within an Interregional Network

D4.2 establishes the framework for developing and connecting **Regional Innovation Hubs (RIHs)** within the BAUHAUS4EU Regional Innovation Digital Gateway Ecosystem (BRIDGE). It defines a **common governance and collaboration model** to support place-based innovation, stakeholder engagement, and interregional cooperation across the Alliance.

Deliverable 4.3 – Strategy to Further Develop Support for Innovation, Transfer and Entrepreneurship

D4.3 presents a strategy to strengthen student centres and support innovation, entrepreneurship and knowledge transfer across the BAUHAUS4EU Alliance. It defines a **shared framework**, including a common innovation vision, an entrepreneurial pathway, and an **implementation roadmap** for 2026–2028.

Milestone 4 – Analyses of Obstacles to Physical Mobility and Guidelines to Implement Seamless Mobility

The report includes a description of the **main barriers and obstacles** to enhance mobility among partners as well as **recommendations and a guideline to overcome them** on alliance level.

Milestone 17 – First Call for European BAUHAUS Courses launched
